A CHRISTMAS POP-UP BAR

WELCOME TO THE LEGENDARY LODGE

Nestled high in the peaks of imagination, The Legendary Lodge was created as a place of winter warmth, wonder, and storytelling. Inspired by the timeless spirit of the mountain resorts of Aspen and Vail, it's more than a bar or restaurant—it's a retreat from the ordinary.

Every detail you see around you, from the flicker of lanterns to the scent of pine in the air, was crafted to make you feel as though you've stepped into another world—a cozy alpine escape where winter nights glow a little warmer.
Our team of artists, chefs, and mixologists at Bailey Design & Entertainment design experiences that go beyond food and drink—they invite you into a living story.

Each cocktail and dish on this menu has been built with the same care and creativity that shape our larger worlds—from haunted houses to tropical hideaways and beyond. We blend culinary craft with theatrical design to create moments that feel both extraordinary and real, reminding us that magic still exists when we choose to believe in it.

The Legendary Lodge is a place for travelers, storytellers, and dreamers.
A place to raise a glass to adventure, share laughter among friends, and escape the cold in the glow of good company. Every visit adds a new chapter to this story—and we're honored you're a part of it.

Welcome to the Lodge. **Welcome to the Legend.**
